Structure

Representatives

The purpose of a Representative is to have an EPAP advocate who serves as a liaison on Action Plan area-specific issues when needed and appropriate, or until there is enough EPAP capacity to establish a Subcommittee. A Representative is often a liaison to a committee, group, organization, or commission and is afforded priority time to report at the general EPAP meeting in that capacity.

The Representative can be an authorized spokesperson for the EPAP on the designated issue for which they are appointed; but if the Representative is determined while representing the EPAP to have not spoken in alignment with the Action Plan and 'Principles for Improved Livability', the Representative is responsible to provide a acknowledgment and correct the misrepresentation.

An EPAP Representative will:

- Be a Participating Agreement member who regularly attends the EPAP general meeting and will be established as an area-specific Representative by consensus of the general EPAP;
- Utilize the 'East Portland Action Plan', 'Principles for Improved Livability', and 'Structure' documents along with the EPAP Advocate and Co-Chairs for reference and guidance;
- Report on significant activities and position statements on behalf of the EPAP at the general EPAP meetings;
- Bring forward issue relevant information and requests for EPAP support; and
- Adjust their representation as is necessary, based upon input from the general EPAP.

Representation with membership organizations:

- Requires a high level of commitment to consistent attendance at the area-specific issue-related organizational meetings and reporting to the general EPAP;
- Requires an 'opt out' mechanism for campaign or advocacy involvement that stipulates which members are supporting the stance. As a consensus decision making organization, the EPAP will not sustain involvement with membership organizations without this articulated option.
- Campaigns and public statements on behalf of the membership organization should be brought before the EPAP if there is any possibility that the campaign or statement is not in alignment with the Action Plan or 'Principles' documents, or if there is ambiguity that needs to be addressed by consensus at the general EPAP.
