Part 1: Introduction

Congratulations on having your project selected by the East Portland Action Plan Grants Review Committee for funding in the 2018 Grant cycle! THANK YOU for bringing such great projects to the East Portland community!

The purpose of this information is to help you keep your project on track and to document the results for a successful project and final grant report.

Project Delivery Location:

MOST participants in your project MUST be residents within the East Portland Neighborhood Coalition area (see the Map on page 4). Your EPAP funded project MUST take place in the above referenced area.

EPAP Grant Manager/Advocate is here to help

The East Portland Action Plan Advocate and Grant Manager is cameron whitten. He has the responsibility of supporting grantees during the time they prepare, do, and report on their projects.

If you have questions about any part of your project, or how you'll report it, you're always better off asking sooner than later! If you get "stuck" or need to make project adjustments, contact the Grant Manager, for assistance and direction.

The Grant Manager/EPAP Advocate, cameron whitten, can be contacted in the following ways:

Location: East Portland Neighborhood Office
1017 NE 117th, Portland, Oregon 97220
(Between NE Halsey and NE Glisan Streets, at the foot of the "HAZELWOOD" water tower)

Phone: (503) 823-8027 **Email:** cameron.whitten@portlandoregon.gov

Should your Grant Manager change, you will be informed in writing.

- **Make sure your e-mail system will accept messages from cameron.whitten@portlandoregon.gov**

You will receive most communication from the Grant Manager/EPAP Advocate using the email address you gave on your application. Make sure our email messages don't get sent into your SPAM Box!

Part 2: Successful Grant Program Checklist

□ Plan *now* to take good digital photographs

You are required to supply at least two (2) digital photographs in jpg format (do not imbed them in a Word document) of your project with your final report. If you need to borrow a camera, let your Grant Manager/EPAP Advocate know and arrangements will be made.

The best way to end up with the required photos is to ***take a lot of pictures along the way!*** Usually, the person in charge of the project is too busy to take the photos – so it’s important that at least one person on your project agree to serve as photographer.

Make sure to “rename” your digital photos, and save them in a (computer) file folder, so you’ll have plenty of images from which to choose when you’re preparing your final report (we welcome getting several photographs).

□ Prepare to gather information needed to write your ‘Evaluation Report Form’ (see Appendix ‘A’) narrative and fill-out the ‘Project Accounting Invoice’ (see Appendix ‘B’)

Many successful grantees agree: It’s much easier to gather data about your project while it is being planned and executed, instead of trying to reconstruct it all from memory. Make a physical or digital file folder and keep your receipts, committee meetings notes and other information in the folder.

□ Prepare to identify progress by EPAP website Action strategy or item tracking

You are required to report on the project’s success per Action strategy or item you identified in your grant application on the East Portland Action Plan website under “Updates” at:

www.eastportlandactionplan.org/updates

It is easiest to copy and paste this from your Evaluation Report.

Part 3: Throughout Your Grant Project

□ **Track any additional donations and partnerships.**

You will need this information before submitting the June 1, 2019 interim and final “Project Accounting Invoice” (see *Appendix 'B'*) due December 15, 2019 at the latest.

This information helps show the value provided by the project volunteers – whether for one (1) hour or 100 and adds value to the investment in your project. Donations and partnerships identified on your interim and final “Project Accounting Invoice” will be compared to your grant application projected numbers and significant discrepancies will be considered if funds are sought from EPAP in the future.

□ **Place acknowledgement of the EPAP sponsorship on all promotional materials**

Either state: “This program is made possible, in part by a grant from the East Portland Action Plan.” (*Don't actually print the “” marks*) **OR** include the EPAP logo (*your Grant Manager will provide this to you electronically*):

□ **Keep receipts to document your expenses for reimbursement**

The contract stipulates that receipts are to be kept for four (4) years.

□ **Keep the East Portland Action Plan and other partners involved.**

Keep your partner organizations informed of your project's process. Consider ways to involve them in the project.

□ **Promptly notify your Grant Manager/EPAP Advocate regarding:**

- Any change in project leadership
- Any change in contact information (e-mail or phone number)
- Any change in what you are going to do on the grant project:

- If, after you begin the project, you realize that you need to make changes that affect the contract stipulated “Actions To Be Taken”/deliverables, make sure to contact the EPAP Advocate/Grant Manager. Together you can work to responsibly address any changes. If you wait until submitting the ‘Evaluation Report Form’, it is possible your project will be identified by the EPAP ‘Grants Review Committee’ as having failed to accomplish reasonable success/standards.

□ **Partnership with the East Portland Action Plan (EPAP)**

As a grant recipient, you are recognized as an active EPAP partner. This also means that you have access to the following resources as they are available:

- Digital camera
- Community room, kitchen, bathroom
- Easel stands (6)
- Interpreting sets (4)
- Speaker systems (2)
- Tables (14)
- Chairs (13)
- Toy box
- Projector
- Projector screen
- Laptop
- Video camera
- Canopies (9)
- Barricades (4)
- Garbage cans (6)
- 100-foot extension cord
- Leaf racks (2)
- Generator (2) - Stored off-site, contact office for pick up details
- Durable gloves (6 pairs)
- Cones (14)

Part 4: Reporting Requirements

□ **Submission of Interim “Project Accounting Invoice”** (See appendix ‘B’) **on the Fiscal Sponsor’s letterhead by June 1, 2019**

You must submit a “Project Accounting Invoice”:

- Interim form on June 1, 2019 (documenting project expenses and donation/volunteer match to-date) unless you have submitted a completed final evaluation.
- Final accounting form at the end of the project with your final evaluation – by December 15, 2019 at the latest.

□ **To complete this funded project:**

The following **MUST** be submitted by December 15, 2019, though we recommend that you submit each item as soon as possible after completing the project.

“Evaluation Report Form” (See Appendix ‘A’)

The feedback we get from you about your project verifies the importance of your contribution and helps strengthen the importance of funding your project and the East Portland Action Plan Grants program. The more measures of success you supply with your “Evaluation Report Form”, the stronger your project looks and the more likely you and EPAP will get funding in the future.

You may submit the “Evaluation Report Form” in any language. You may submit a handwritten “Evaluation Report Form”. If possible, submit the final “Evaluation Report Form” in an electronic word processing format. Microsoft WORD is preferred, but any “.rtf” computer document is acceptable. Limit the narrative about your project to no more than two (2) pages (12-point font, 1-inch margins).

In the “Evaluation Report Form” narrative you **MUST** address what your contract refers to as “Actions To Be Taken By Grantee”. I have provided each of you with a one-page list of “Actions To Be Taken By Grantee” specific to your grant project’ for quick reference.

In addition, you need to address the questions outlined in the “Evaluation Report Form”.

“Project Accounting Invoice” form (See Appendix ‘B’)

Transfer the “Project Accounting Invoice” form to the Fiscal Sponsor’s letterhead as documentation of how you spent the grant. This form documents how you spent the EPAP grant funds and tracks all

- Leveraged Funds (monies from sources other than EPAP for the project),
- Donated Services & Items (stated as \$), and
- Volunteer Hours (stated as \$).

Two (2) project digital jpg format photos via email or on a CDR disk

Do **NOT** submit embedded photos in a Word document. A “PowerPoint” or DVD will be welcomed, but the presentation will not replace the photo requirement.

EPAP website “Updates”:

Document your project’s work on the East Portland Action Plan Action items you identified in your grant proposal on the East Portland Action Plan website “Updates” page at:

www.eastportlandactionplan.org/updates.

If you need access to a computer, one is available at the East Portland Neighborhood Office. The EPAP Advocate/Grant Manager will gladly assist you in the process to access the correct web page/Action Item and provide your update (remember to identify your project and agency).

Printed material samples and sign-in sheets:

This includes **one** each of any samples of all outreach material you used (e.g. flyers, posters, sign-in sheets, etc.). Provide a copy of each sign-in sheet. Label all evaluation materials with “EPAP Grant 2018” and your project’s name. We want to make sure your project is appropriately credited.

**All of the above must be submitted by:
December 15, 2019 at the latest.**
