Planning Maps Table of Contents

**Poverty**
1. Population below 100% FPL
2. Population below 200% FPL

**Education**
*Educational Attainment*
3. Population with less than a high school education
4. Population with high school as highest educational attainment

**Early Childhood**
5. School enrollment in pre/nursery school

**Employment**
6. Population that is unemployed

**Housing Costs**
7. Households where housing costs exceed 30% of income
8. Location of publically subsidized affordable housing units

**Food Access**
9. Food access (distance to nearest grocery store or supermarket)
10. Food deserts
11. Rate of fast food restaurants per 100,000 population
12. Modified Food Retail Environment Index
13. Households receiving SNAP benefits

**Transportation**
14. Distance to nearest transit stop
15. Households with no vehicle access

**Environment**
16. Air quality: number of times air toxin concentration from all sources is above safety benchmarks

**Other**
17. Vulnerable populations footprint from REACH grant

**Sources:** Maps were produced using maps.communitycommons.org and the Coalition for a Livable Future’s Regional Equity Atlas mapping tool.
Population below 100% FPL
