Civic Engagement Grant FAQ

Q: Where can I find the list of Action Items in The East Portland Action Plan?

A: You can find them in several ways, the most common would be to go to our website and check out the DOCUMENTS tab. Here is a link:

<https://eastportlandactionplan.org/related-documents>

You can also stop by the EPAP Offices or contact our Advocate directly to receive a detailed list of the Action Items.

Q: What kinds of projects are funded by the East Portland Action Plan?

A: Projects funded by the East Portland Action Plan cover a broad range of activities representative of the intersectionality of the Action Plan. Projects must address at least one East Portland Action Plan strategy or item. Action Plan strategies have letters followed by one number (e.g. A.1) and Action items have letters followed by two numbers (e.g. A.1.1) You can find the Action Plan document by visiting: www.eastportlandactionplan.org .

Q: Where can a project take place?

A: All East Portland Action Plan grant dollars must be spent within the boundaries of East Portland, and serve people living in East Portland. If you have funding from other groups, that funding does not have to be used in East Portland. The East Portland Action Plan should be able to read your application and say, "the funding asked for in this application will directly be used within East Portland and will primarily serve East Portland community members."

Here is an official map of East Portland boundaries: <http://eastportland.org/map-east-portland-neighborhoods>

Q: When can we expect to hear back from East Portland Action Plan after we submit our application?

A: After the submission deadline, the EPAP Grants Review Committee will meet to discuss the project scores and assess the projects. They will develop a final recommendation that will go before the next EPAP General Meeting for approval. Portland City Council is then required to approve the recommendations before the grant awards are finalized.

Q: My organization currently has an active funding opportunity with East Portland Action Plan. Are we eligible to apply for additional funds?

A: If you have current funding from the East Portland Action Plan, you are eligible to apply for new funding opportunities as long as your organization is still in good standing. Your organization is considered in good standing if it is on track to complete its project as described in the funded contract and has completed the interim and final grant report by the announced deadlines.
